

Interim Week 2010 Sign-Up Sheet
Sophomore through Seniors

Name _____

Number _____ (Office Use Only)

Dear Student,

Please choose your classes thoughtfully and carefully. This can be a great week of learning, experiencing new things, and enjoying a change of focus and setting. To get the most from your week, you will want to make wise decisions. You may not take a class that you have taken before. Be sure to note the cost for classes. Remember, too, you must provide your own lunches during the week. If you have an on-campus interim, you may not leave campus for lunch (with the exception of seniors who may enjoy their regular Friday off-campus lunch).

All students must number their top 5 choices for courses from most preferred (#1) to least preferred (#5). If you choose a half-day morning course, you must choose a half-day afternoon class using the same number. If you have already signed up for one of the trips, please indicate this on the list below. **Be sure to note that you need your parent's signature.** Please consider your choices carefully. First come, first served regardless of class (i.e. sophomore, junior or senior)! To change a course once you have been placed in an Interim class, you must fill out a course change form and have it signed by your parent.

Please fill out this sheet and hand it directly to Mrs. Heintz in the front office after 9 a.m. on or before January 11, 2010.
