

How Should the Eligibility Process Work?

Grades 9 and 10

- Student takes academic college-preparatory courses, preferably one in each of the following areas: English, math, science, social studies and foreign language. The student should compare course selection against the list of NCAA-approved core courses for Chattanooga Christian School. Contact the College Guidance Counselor or Director of Guidance to gain access to CCS's approved core course list.

Grade 11

- Student continues to take college preparatory courses in the areas listed above.
- Student registers for the SAT and/or ACT, making sure to use the code 9999 at the time of registration. Using code 9999 will ensure the score is reported directly to the Eligibility Center.
- Student registers with the NCAA Eligibility Center and completes both the academic information and the amateurism questionnaire.
- At the end of the student's sixth semester, the guidance counselor sends the student's transcript (or transcripts, if the student has attended more than one high school) to the Eligibility Center.

Grade 12

- Student continues to take college preparatory courses in English, math, science, social studies and foreign language.
- Student registers for additional ACT/SAT tests if necessary, making sure to use code 9999 at the time of registration.
- On or after April 1 of the senior year, the student goes back into their Eligibility Center account to update their academic and amateurism information and request final amateurism certification.
- After graduation, the guidance counselor sends the student's final transcript (which needs to include evidence and the date that the student graduated) to the Eligibility Center.
